SCOUT, TENDERFOOT, SECOND CLASS, and FIRST CLASS RANKS Alternative Requirements

A Scout with a permanent physical or mental disability or a disability expected to last more than two years or beyond the 18th birthday and who is unable to complete all of the requirements for Scout, Tenderfoot, Second Class, or First Class rank may, with his or her parent or guardian, submit a request to the council advancement committee to complete alternative requirements. Below are the procedures for applying for alternative requirements. To help facilitate this process, use the Individual Scout Advancement Plan, No. 512-936, which can be found at www.scouting.org/advancement. For more detailed information about alternative requirements, see the *Guide to Advancement*.

- 1. Do as Many Existing Requirements as Possible.** Before applying for alternative requirements, as many of the existing requirements must be completed as possible.
- 2. Prepare a Request for Alternative Requirements.** Once the Scout's best has been done to the limit of the Scout's abilities and resources, the unit leader or a troop committee member submits to the council advancement committee a written request for alternative requirements for Scout, Tenderfoot, Second Class, or First Class ranks. It must show what has been completed and suggest the alternatives for those requirements the Scout cannot do.
- 3. Secure a Medical Statement and Provide Supporting Documents.** The request must be accompanied by supporting letters from the unit leader, a parent or guardian, and the Scout (if possible), as well as a written statement from a qualified health professional related to the nature of the disability. This may be, for example, a physician, neurologist, psychiatrist, psychologist, etc., or, when appropriate, an educational administrator in special education. Statements must describe the disability; cover the Scout's capabilities, limitations, and prognosis; and outline what requirements cannot be completed. Additional information such as Individualized Education Plans (IEP) provided to parents by schools, and various treatment summaries and reports, may help an advancement committee make an informed decision.
- 4. The Advancement Committee Reviews the Request.** The advancement committee reviews the request, utilizing the expertise of professionals involved with youth who have special needs. To make a fair determination, the committee may want to interview the Scout, the Scout's parents(s) or guardian(s), and the unit leader. The committee's decision is then recorded and delivered to the Scout and the unit leader.

4. While a Life Scout, serve actively in your troop for six months in one or more of the following positions of responsibility¹¹:
- Scout troop.** Patrol leader, assistant senior patrol leader, senior patrol leader, troop guide, Order of the Arrow troop representative, den chief, scribe, librarian, historian, quartermaster, junior assistant Scoutmaster, chaplain aide, instructor, webmaster, or outdoor ethics guide.
- Venturing crew** President, vice president, secretary, treasurer, den chief, historian, guide, quartermaster, chaplain aide, or outdoor ethics guide.
- Sea Scout ship.** Boatswain, boatswain's mate, purser, yeoman, storekeeper, crew leader, media specialist, specialist, den chief, or chaplain aide.
- Lone Scout.** Leadership responsibility in your school, religious organization, club, or elsewhere in your community.
5. While a Life Scout, plan, develop, and give leadership to others in a service project helpful to any religious institution, any school, or your community. (The project must benefit an organization other than the Boy Scouts of America.) A project proposal must be approved by the organization benefiting from the effort, your Scoutmaster and unit committee, and the council or district before you start. You must use the *Eagle Scout Service Project Workbook*, BSA publication No. 512-927, in meeting this requirement. (To learn more about the Eagle Scout service project, see the *Guide to Advancement*, topics 9.0.2.0 through 9.0.2.16.)

¹¹Assistant patrol leader and bugler are not approved positions of responsibility for the Eagle Scout rank. Likewise, a Scoutmaster-approved leadership project shall not be used in lieu of serving in a position of responsibility.

6. While a Life Scout, participate in a Scoutmaster conference.

In preparation for your board of review, prepare and attach to your Eagle Scout Rank Application a statement of your ambitions and life purpose and a listing of positions held in your religious institution, school, camp, community, or other organizations, during which you demonstrated leadership skills. Include honors and awards received during this service.

7. Successfully complete your board of review for the Eagle Scout rank.¹² (This requirement may be met after age 18, in accordance with *Guide to Advancement* topic 8.0.3.1.¹³).

Notes: For Venturers working on Scouts BSA requirements, replace “troop” with “crew” and “Scoutmaster” with “crew Advisor.” For Sea Scouts working on Scouts BSA requirements, replace “troop” with “ship” and “Scoutmaster” with “Skipper.”

¹²APPEALS AND EXTENSIONS

If a Scout believes all requirements for the Eagle Scout rank have been completed but a board of review is denied, the Scout may request a board of review under disputed circumstances in accordance with *Guide to Advancement* topic 8.0.3.2.

If the board of review does not approve the Scout’s advancement, the decision may be appealed in accordance with *Guide to Advancement* topic 8.0.4.0.

A Scout who foresees that, due to no fault or choice of their own, it will not be possible to complete the Eagle Scout rank requirements before age 18 may apply for a limited time extension in accordance with *Guide to Advancement* topic 9.0.4.0. These are rarely granted and reserved only for work on Eagle.

¹³AGE REQUIREMENT ELIGIBILITY

Merit badges, badges of rank, and Eagle Palms may be earned by a registered Scout or a qualified Venturer or Sea Scout. Scouts may earn these awards until their 18th birthday. Any Venturer or Sea Scout who has achieved the First Class rank as a Scout in a troop or as a Lone Scout may continue working up to their 18th birthday toward the Star, Life, and Eagle Scout ranks and Eagle Palms.

An Eagle Scout board of review may occur, without special approval, within 24 months after the 18th birthday. **Consult the *Guide to Advancement* topic 8.0.3.1, if a Board of Review is to be conducted more than 24 months after the candidate’s 18th birthday.**

If you have a permanent physical or mental disability, or a disability expected to last more than two years or beyond age 18, you may become an Eagle Scout by qualifying for as many required merit badges as you can and qualifying for alternative merit badges for the rest. If you seek to become an Eagle Scout under this procedure, you must submit a special application to your local council service center. Your application must be approved by your council advancement committee **before you can work on alternative merit badges.**

A Scout, Venturer, or Sea Scout with a disability may also qualify to work toward rank advancement after reaching 18 years of age if the guidelines outlined in section 10 of the *Guide to Advancement* are met.

EAGLE SCOUT RANK

Alternative Requirements

The Eagle Scout rank may be achieved by a Scout or a qualified¹⁴ Venturer or Sea Scout who has a physical or mental disability by completing the Application for Alternative Eagle Scout Rank Merit Badges, No. 512-730, and by qualifying for alternative merit badges. This does not apply to individual requirements for merit badges. Merit badges are awarded only when all requirements are met as stated. See the *Guide to Advancement*, topic 10.2.2.3, for details.

The physical or mental disability must be of a permanent rather than of a temporary nature or a disability expected to last more than two years or beyond age 18. The application must include a written statement from a qualified health professional related to the nature of the disability. This person may be a physician, neurologist, psychiatrist, psychologist, etc., or, when appropriate, an educational administrator in special education.

Before applying, the Scout must earn as many of the Eagle-required merit badges as possible. However, where a permanent disability clearly precludes completing specific merit badges, a Scout who has earned at least First Class may apply for an alternative merit badge without waiting until all other Eagle-required merit badges are complete. Any alternatives must present the same challenge and learning level as those they replace, and must be completed prior to the 18th birthday unless the member is registered beyond the age of eligibility (reference *Guide to Advancement*, topic 10.1.0.1–10.1.0.2).

1. Obtain a clear and concise statement related to the nature of the disability from a qualified health professional.
2. The unit leader meets with the candidate and the Scout's parent or guardian to determine the alternative merit badges to replace those impeding the Scout's advancement.
3. The unit leader, parent or guardian, and the Scout (if possible) prepare supporting letters to accompany the application.
4. The district and council advancement committees, in turn, review the proposed alternative merit badges. They may choose to speak with the Scout, the Scout's parent or guardian, or unit leader. If the council advancement committee approves, then the candidate may start work on the approved alternative merit badges.

¹⁴In order to be an Eagle Scout candidate, a Venturer or Sea Scout must have achieved First Class rank as a registered Scout or as a Lone Scout.

Note: In approving the application, the district and council advancement committees must utilize the expertise of a health-care professional involved with youth who have disabilities.

5. Upon completion of the Eagle Scout rank requirements, using the alternative merit badges, the candidate appears before a board of review. The approved Application for Alternative Eagle Scout Rank Merit Badges must be attached to the Eagle Scout Rank Application.
6. Following a successful board of review, the council processes both applications and forwards them to the National Advancement Program Team. Local council action on alternative merit badges does not require national approval.

EAGLE PALMS

After successfully completing your Eagle Scout board of review on or after Aug. 1, 2017, and being validated as an Eagle Scout by the National Service Center, you will be entitled to receive an Eagle Palm for each additional five merit badges you completed before your Eagle board of review beyond those required for Eagle. In addition, all current Scouts who have completed their Eagle board of review and who had not passed their 18th birthday before Aug. 1, 2017, are entitled as well to receive Eagle Palms. For these Palms only, it will not be necessary for you to complete the requirements stated below.

After becoming an Eagle Scout and receiving the Eagle Palms you are entitled to, you may earn additional Palms by completing the following requirements:

1. Be active in the Boy Scouts of America for at least three months after becoming an Eagle Scout or after the last Palm was earned.¹⁵
2. Since earning the Eagle Scout rank or your last Eagle Palm, demonstrate Scout spirit by living the Scout Oath and Scout Law. Tell how you have done your duty to God and how you have lived the Scout Oath and Scout Law in your everyday life.
3. Continue to set a satisfactory example of accepting responsibility or demonstrating leadership ability.
4. Earn five additional merit badges beyond those required for Eagle or last Palm.¹⁶
5. While an Eagle Scout, participate in a Scoutmaster conference.

You may wear only the proper combination of Palms for the number of merit badges you earned beyond the rank of Eagle. The Bronze Palm represents five merit badges, the Gold Palm 10, and the Silver Palm 15.

Notes: For Venturers working on Scouts BSA requirements, replace “Scoutmaster” with “crew Advisor.” For Sea Scouts working on Scouts BSA requirements, replace “Scoutmaster” with “Skipper.”

¹⁵Eagle Palms must be earned in sequence, and the three-month tenure requirement must be observed for each Palm.

¹⁶Merit badges earned any time since joining Scouts BSA may be used to meet this requirement.
