I (we) understand that by participating as a parent/guardian, we will follow all BSA rules. This includes not smoking in front of any scout, never partake in any alcohol consumption, be a good role model to all boys, and follow the directions given by the Troop leadership.

I (we) confirm that everyone will wear his or her seat belts whenever my car is in motion.

I (we) confirm that I (we) will follow safe driving practices, follow the rules of the road, and will not deviate from the Troop itinerary. If I were to deviate from the Troop itinerary, I understand that all liability would befall upon myself and I could expose myself to a lawsuit.

I (we) also understand that the scouts who drive with me (us) in one direction are not necessarily the same scouts that I (we) will return with. AND

I (we) will not leave a campout/outing unexpectedly unless in case of an emergency. In case of an emergency, I will advise an adult leader of the situation and appoint him/her to advise the rest of the Troop. The Troop is counting on me (us) as driver(s) and I (we) will not leave before checking out with the driver coordinator. (scouts have been left behind w/out rides ... please watch out!)

I (we) promise not to have more scouts onboard than what we have seat belts for.
